The Vanuatu mission trip required the Cooke family to raise \$ 60,000 by end of 2018. The generous gift from manilla put them over the line. The children have been involved in making the graph and colouring in every dollar as they came in. Now Micah needed a lift to show how the target got reached.

## Gag of the week

A teenage boy has just passed his driving test and asks his father when they could discuss his use of the car?

His father says he'll make a deal: "You bring your grades up from a C to a B average, study your Bible a little, and get your hair cut. Then we'll talk about the car."

Done!

After about six weeks, his father says: "Son, you've brought your grades up and I've observed that you have been studying your Bible, but I'm disappointed you haven't had your hair cut."

The boy says, "You know, Dad, I've been thinking about that, and I've noticed in my studies of the Bible that Samson had long hair, John the Baptist had long hair, Moses had long hair, and there's even strong evidence that Jesus had long hair."

"Yes," replies his father. "But did you also notice they all walked everywhere they went?"
